

# WEBSITE DEVELOPMENT PROPOSAL

# WEB DEVELOPMENT

## ABOUT US

AP Technosys has been the leading digital marketing and IT consulting firm in Mumbai, has years of experience in digital marketing and sets the difference for the clients.

AP Technosys professionally certified team members are self-driven and self-motivated. Here, we also love to play with the data generated from the website's insights. With the correct insights and timely interpretation, our clients receive the satisfaction they aspire, demand, or need using our expertise.

## INTRODUCTION

Web development is today's modern world's need of the hour. Without a website under your company's name, maintaining a rapport online is tough. You would need to have an online imprint of your businesses and product or services that you offer.

Therefore, AP Technosys is the best choice for your business to shift its catalogue and presence online. We offer you an ever-growing range of services under each type of website explained below.

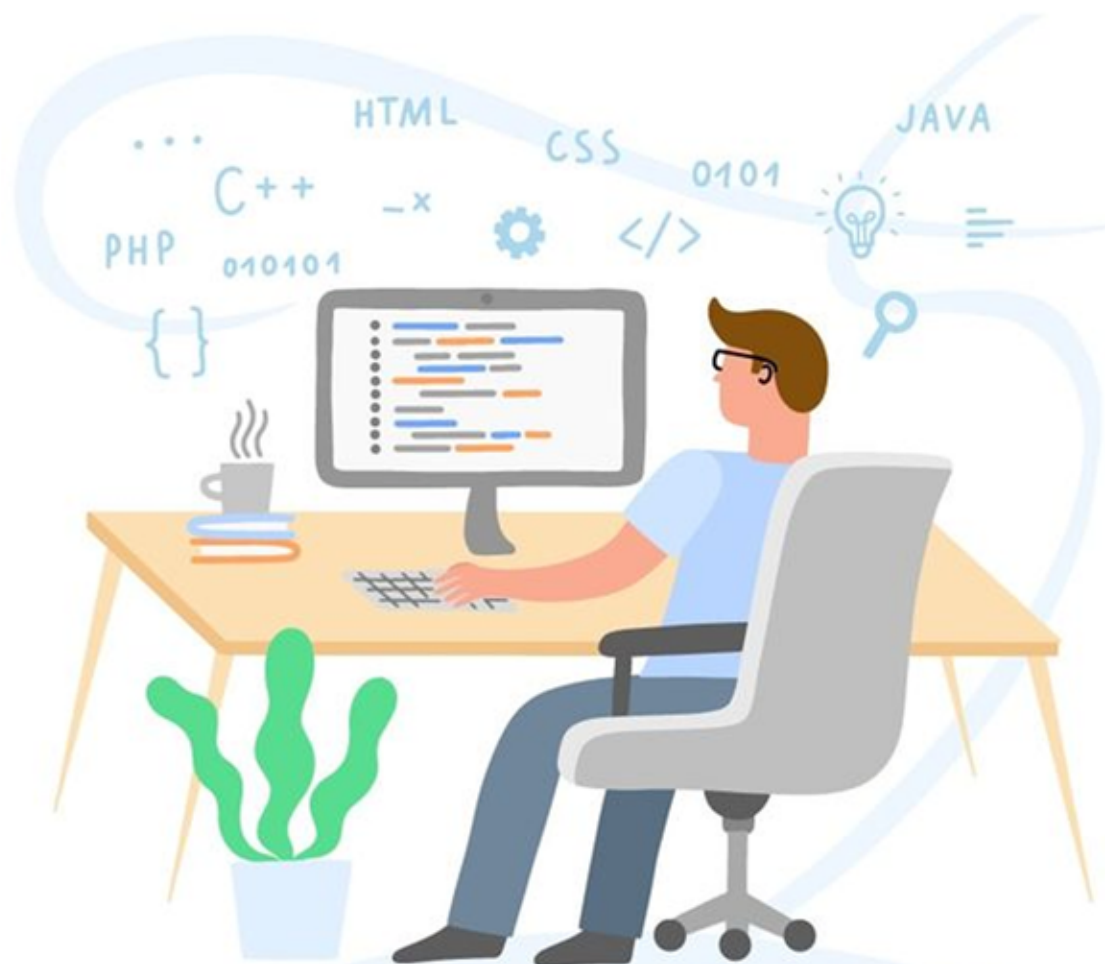

# OUR WEB DEVELOPMENT SERVICES

## THESE SERVICES ARE CATERED AROUND, BUT NOT LIMITED

- Development of the WordPress websites with full customisation
- Complete plugin support along with its development on demand
- Development and maintenance of the static and dynamic website
- Get your bugs fixed on time as our developers handle the admin panel and control panel
- Get your website to be mobile compatible – bootstrap projects available in different languages.
- We guide you about the best website hosting services included in the website maintenance after it's developed.

## THE VARIOUS TYPE OF WEBSITES WE HANDLE, CREATE, UPGRADE, AND EVALUATE FOR OUR CLIENTS ARE

- PHP website
- .net website
